**FIRE CLAIMS OF HAWAIIAN'S**

A meeting of Hawaiian's was held last night at the Orpheum to discuss the matter of fire claims with members of the Legislature. J. K. Kaula presided. Among the speakers were R. N. Boyd and Senator D. Kalanokalani. The Hawaiian's were urged to make out careful estimates of their losses in order that the same might be considered in the Legislature. The chair appointed a committee of five, consisting of S. K. Pua, E. Johnson, C. H. Rowe, J. D. Holt Jr., and J. M. Kaneakua, who will act with Messrs. Prendergast, Testa and Kaula. This committee will receive the claims and pass on them, and put them in shape for presentation to the Legislature.

**FELL FROM A VERANDAH.**

What might have been a case for the coroner, occurred yesterday forenoon at the corner of Liliha and Vineyard streets. A white woman, while in an intoxicated condition, fell from a verandah to the ground, a distance of twelve feet.

She was taken in charge by the police and, after an examination, was conveyed to the Queen's Hospital by Captain Parker of the police.

Inquiry at the hospital develops the fact that the woman was suffering from injuries to her left arm and right side, which are not considered by the hospital authorities as necessarily serious.

The chances are that, had the woman been sober, she would have been killed.

**Chinese Consul at Theatre.**

Chinese Consul Yang Wei Pin and party attended the matinee at the Chinese theatre yesterday afternoon, Tuesday being the day recognized by all Chinese officials as the beginning of their New Year. He had a special box and enjoyed the play very much. At the conclusion, he returned to his home on Beretania street with a number of friends.

The Wilder Steamship Co.'s Maui is on the marine railway for inspection. Messrs. Whitney and Lehuers will go over her with a magnifying glass this afternoon to see if they can find where she touched the coral reef, as published in a morning paper last week.

A careful examination of her bottom this morning failed to show any signs of contact with anything harder than sand. While the Maui is one the railway, her bottom will be repainted.

**CHINAMAN WAS DRUNK.**

Today, one lone Chinaman who was sitting on a sidewalk in Chinatown selling or trying to sell ducks, was arrested on the charge of drunkenness. It seems that he had finished his celebration of the Chinese New Year and had gone to work again. There were, however, others who had not finished their celebration and some of these coaxed the Chinaman referred to away from his work. The fellow left his ducks in the street from time to time to go to stores near by to partake of some liquid refreshment. He is now sleeping off his jag at the police station.
